

# ABIDE WITH ME

## VERSE 1

**D**                                  **G D A**  
Abide with me, fast falls the eventide  
                  **D**                                  **G D A**  
The darkness deepens; Lord, in me, abide  
                  **Bm**                                  **G D G**  
When other helpers fail and comforts flee,  
                  **D A D**  
Help of the helpless, abide with me

## VERSE 2

Thou on my head in early youth didst smile  
And, though rebellious and perverse, meanwhile  
Thou hast not left me, though I oft left Thee  
On to the close, Lord, abide with me

## VERSE 3

I need Thy presence, ev'ry passing hour  
What, but Thy grace, can foil the tempter's power?  
Who, like Thyself, my guide and stay can be?  
Through cloud and sunshine, abide with me

## VERSE 4

I fear no foe, with Thee at hand to bless  
Ills have no weight, tears lose their bitterness  
Where is thy sting, death? Where grave thy victory?  
I triumph still, abide with me.

## VERSE 5

Hold Thou Thy cross, before my closing eyes;  
Shine through the gloom, and point me to the skies  
Heaven's morning breaks, and earth's vain shadows flee  
In life, in death, Lord, abide with me

# GUIDE ME, O THOU GREAT JEHOVAH

V1 // V2 // V3 // REFRAIN

V1

Bm G D A  
Guide me, O, Thou great Jehovah; pilgrim through this barren land  
Bm G D A  
I am weak, but Thou art mighty; hold me with Thy powerful hands  
G D A Asus A  
Bread of Heaven, feed me now and evermore  
G Em A Bm G D A  
Bread of Heaven, feed me now and evermore

V2

Open now the crystal fountain, whence the healing waters flow  
Let the fiery, cloudy, pillar lead me all my journey through  
Strong Deliverer, be Thou still my strength and shield  
Strong Deliverer, be Thou still my strength and shield

V3

When I tread the verge of Jordan, bid my anxious fears subside  
Death of death and hell's destruction; land me safe on Canaan's side  
Songs of praises, I will ever give to Thee  
Songs of praises, I will ever give to Thee

REFRAIN

Bm G D A Bm  
Land me safe on Canaan's side; bid my anxious, bid my anxious fears goodbye

# NEW AGAIN

## VERSE 1

When death shows his face, and bares his teeth

May we, with faith, run to Calvary

Not one shed tear, no strand of grief

Falls to the ground, and goes unseen

## CHORUS

Death is defeated, and Jesus reigns!

Tell the world there is hope in His name!

He pushed back the darkness, He conquered our sin

And Christ will make all things new again

And Christ will make all things new again – new again!

## VERSE 2

We're blinded by trials, our lives marked with pain  
Shadows surround us, but there's hope today  
When sorrows run deep and the night is long  
May we find peace in our Savior's song **[to CH]**

**INSTRUMENTAL | play through entire CHORUS**

### **VERSE 3**

The sun, it is dawning – it pierces the night  
It cuts through the shadows with redemption's light  
The fallen will rise, the weak will be strong,  
Death turns to life in our Savior's arms **[to CH]**
